

I _____ certify that my entries were grown in accordance with Local, State and Federal laws and that any fertilizers, fungicides, insecticides, herbicides, chemicals or other compounds that were used in the growing of the pumpkin(s) were used in accordance with the manufactures recommendations, and specifications. All products used to grow this pumpkin were of a variety that is legal for use in the State of Washington.

By signing this affidavit you are agreeing that this pumpkin would be safe for consumption by a human or animal, and would be safe to use as compost. The sponsors have requested this agreement to assure the public as to the food safe quality of your pumpkins.

If any substances were used to grow your entry that are not acceptable for production of human or animal consumable food, please do not sign and notify weigh off staff so that your pumpkin is not to be used in the brewing process, displayed, fed to livestock or otherwise composted.
